PREVENT T2

A PROVEN PROGRAM TO PREVENT OR DELAY TYPE 2 DIABETES

because we still have a lot
of laughs ahead of us!

1 out of 3 American adults has prediabetes. If you are one of those, you can make changes now to improve your health and prevent type 2 diabetes.

The Prevent T2 lifestyle change program can help you lose weight, become more physically active and reduce stress.

You must be 18 years of age or older to join and you get a free A1c blood test to determine your pre-diabetic range. If you have ever had a clinical diagnosis or self-diagnosis of gestational diabetes melitus during pregnancy you can join.
